Re: Interactive Classroom Components bid package (PV-IC-2012.01) price contract, preferred vendor bid package, award recommendation

Dear Mr. Dunbar:

In accordance with 702 KAR 4:160, attached please find the bid tabulation (attachment 1), and winning bid submissions with item specifications (attachments 2, 3, and 4) and KEDC board order 2.4.1 (attachment 5) for the KEDC Interactive Classroom Component bid (price contract) which KEDC is submitting for KDE approval. KEDC received five responsive and responsible bids and recommends award of Lite the Nite Technologies, Llc.; MCPc, Inc.; and Personal Computer Systems, Inc.

Each vendor offers a different grouping of products that will benefit our members. Lite the Nite Technologies, Inc. proposed DaLite boards with InFocus projectors; MCPc, Inc. offered SMART boards and NEC projectors; while Personal Computer Systems, Inc. presented Promethean boards and Epson projectors.

KEDC hereby requests KDE agency approval to establish Lite the Nite Technologies, Llc.; MCPc, Inc.; and Personal Computer Systems, Inc.as preferred vendors for KEDC. If possible, KEDC would greatly appreciate it if KDE could expedite the necessary review.

Sincerely,

Sam Atkins
Director of Member Services
Kentucky Educational Development Corporation
