KEDC shall make positive efforts toward procuring and utilizing small business and minority-owned business sources of supplies and services. All such efforts shall be made to allow these sources the maximum feasible opportunity to compete for contracts.

All procurement procedures developed and implemented by KEDC shall assure that unnecessary or duplicative items are not purchased. Where appropriate, considerations of lease and purchase alternatives will be made to determine which would be the most economical and practical procurement.

All KEDC bids and solicitations for goods and services shall be based upon a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurements, contain features that unduly restrict competition. Brand name or equal clause may be used as a means to define the performance of other salient requirements of procurement, and when so used to specify features of the named brand that must be met by bidder/offer.

A contract will be entered into by KEDC with only responsible bidders who possess the potential ability to perform successfully under the terms and conditions. Consideration shall be made for such matters as a bidder's integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. KEDC shall follow the principles of cost analysis in the review and evaluation of bids to determine if the bidder meets the requirements or reasonableness, allocability, and allowability.

The contents of the bid or bids have not been communicated by the bidder, or its employees, or agents to any person not an employee or agent of the bidder or its surety on any bond furnished with the bids and will not be communicated to any such person prior to the official opening of the bid or bids. Bidder certifies that this proposal is made without prior understanding, agreement, or connection with any corporation, firm or person submitting a proposal for the same materials, supplies, or equipment, and is in all respects fair and without collusion or fraud. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to KEDC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 CFR 180.220 while this offer is valid and throughout the period of any contract that may arise from this offer.
