PRICE AND TIME ESTIMATES

The estimate totals 184 hours and amounts to \$18,400. \$3,680.00 which is 20% of the estimated price will be due at the beginning of this phase and will be invoiced per the execution of this proposal. As the project progresses invoices will be sent monthly on the 1st of the month for hours worked in the month prior. This estimate covers 184 hours of time for development, if more time is required the proposal will be extended at an hourly rate of \$100/hr. Bit Source will update Kentucky Educational Development Corporation when the project reaches 75% of the estimated budget. Bit Source will not exceed the estimate beyond 20% without prior approval from Kentucky Educational Development Corporation. Additional time may be required based on the complexity of a requested feature or based on additional requests for functionality outside of the scope defined.

Hourly Rate: \$100/hr | **Best Estimate** (\$18,400) | **Time Estimate:** 4 - 8 weeks

MAINTENANCE + CONTINUOUS INTEGRATION

Bit Source provides maintenance on a monthly basis and under an annual contract. If the Kentucky Educational Development Corporation desires Bit Source to perform maintenance on the existing system, take over hosting, or to perform major work beyond the scope listed in this document, there will be a separate mutually agreed upon document detailing those services and the arrangement.

TERM

This proposal is good for a period of three weeks and expires on 12/22/2020.
