RE: Training Retainer Agreement

Dear Ms. Vonderheide,

The Kentucky Education Development Corporation (KEDC) in conjunction with the Kentucky Department of Education (KDE) is retaining our firm for the purpose of conducting a multi-day training session at various locations throughout the state of Kentucky from April 20-23, 2020; specific locations to be agreed upon by the parties.

KDE has requested that the training include the following areas: the Education Department General Administrative Regulations and the Every Student Succeeds Act (ESSA).

The fee for the presentation is \$63,000 inclusive of preparation time and all out-of-pocket expenses such as travel.

In addition, EDGAR books may be purchased for \$39.00 per book plus shipping. More information on our EDGAR book is located here: <https://www.bruman.com/publications/>.

If the foregoing terms and conditions accurately summarize your understanding of the agreement, please indicate your approval and acceptance by dating, signing and returning a copy to us. We look forward to working with you.
