

Your Trusted Partner in Education

Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) Lead Coordinator

JOB DESCRIPTION

The position of **CRRSA Lead Coordinator** for the Kentucky Educational Development Corporation is designed to lead the regional CRRSA Team and collaborate with district team members to focus on impacting student learning in a powerful, positive way through collective efficacy. The coordinator will work with regional and district CRRSA Team Members to co-design each district's action plan and provide feedback regarding the measurement of goals and plan implementation with fidelity. These actions will provide structures, actions, and supports to accelerate student learning and close knowledge gaps.

Required Qualifications:

- Master's degree from an accredited university
- Valid KY administrative certificate
- Minimum of 10 years of administrative experience in schools or district
- Ability to strategically plan and lead others through the planning process
- Strong leadership skills leading teams and building a community of learners
- Strong knowledge base and proven implementation of Multi-tiered Systems of Support, UDL, and evidence-based practices

Preferred Qualifications:

- Education or work experience in data collection and analysis for use in problem-solving
- Demonstrate successful ability to manage multiple complex projects simultaneously, prioritize tasks, and meet deadlines
- Experience presenting to adult audiences
- Experience building relationships across district and school leaders and other potential education partners
- Knowledge of and implementation of evidence-based, best practice strategies and State and Regional Systemic Improvement Plans
- Strong written and verbal communication skills, including computer skills
- Excellent organizational and time-management skills
- Ability to work independently with little direction
- Strong interpersonal skills with the ability to promote positive public relations with state, regional, district, and partners
- Ability to participate in a collaborative team effort to provide high-quality service to member district
