Revised January 2023

Modification (#1)

1-27-2023

Original Contract: \$55,531

Increase: \$912

Current Contract: \$56,443

This modification is adjusting the amount of salary, fringes and indirect cost paid to the cooperative. Cooperative salary changes and indirect cost rates for the cooperatives were not established in time to generate Personnel MOA contracts with a July 1, 2022 start date. It is also changing the accounting template.

This Memorandum of Agreement (MOA) is entered into, by and between the Commonwealth of Kentucky, Kentucky Department of Education (“the Commonwealth”) and Kentucky Educational Development Corporation (“the Contractor”) to establish an agreement for an Educational Recovery Leader position. The initial MOA is effective from July 1, 2022 through June 30, 2023.

**Scope of Services:**

To provide support to schools designated as Comprehensive Support and Improvement (CSI) through serving on audit teams, assistance with school turnaround plans and with implementation of turnaround plans and other required activities.

**Job Description:**

The Educational Recovery Leaders (ERL) will assist and support staff and leadership in the following areas:

Curriculum (ensures curriculum is aligned with state and local standards and implemented through a systematic process)

Assessment (work with staff to ensure rigorous and authentic assessments; inform and improve instruction to meet the needs of all students)

	<b>Document Description</b>	<b>Page 5</b>

Perform other duties as assigned

**BASIC FUNCTION:** The Educational Recovery Leader (ERL) will be responsible for mentoring of and guidance to the principal in a persistently low achieving school as identified through the criteria set forth in Every Student Succeeds Act, KRS 160.346 and the Kentucky Department of Education regulations with any and all functions relating to instructional leadership and school improvement.

**DISTINGUISHING CHARACTERISTICS:** The Educational Recovery Leader (ERL) will be under the authority of and the leadership of the Office of Continuous Improvement and Support, the Kentucky Department of Education. An Educational Recovery Leader must hold appropriate certification and have successful leadership experience. Contracts with the Kentucky Department of Education will be in the form of a Memorandum of Agreement between the Kentucky Department of Education and the contractor's home district.

**EVALUATION AND ACCOUNTABILITY:** The Educational Recovery Leader (ERL) will be evaluated by the Office of Continuous Improvement and Support, the Kentucky Department of Education and will be held accountable for providing guidance to school leadership that leads to improvement in student achievement as measured by state and national assessments and identified goals.

**SALARY:** Salary per day multiplied by 120 (number of KDE contract days) plus 20% ERL stipend equals total salary not to exceed \$105,000.

The contract cost for the cooperative employee's services includes FY 2022 cooperative salary, fringe benefits and cooperative indirect costs.

Since FY 2023 costs are not available for an effective date of July 1, 2022, an additional 3% of the contract cost is being added to the total amount of the original contract.

When FY 2023 costs have been established, the cooperative will be asked to recalculate the final cost for their employee for whose services we are contracting.

If the final cost is less than the original contract, KDE will pay the lesser amount. If the final cost is more than the original contract, KDE will generate a contract modification for the increase and will pay the contract in full.
