

MOREHEAD STATE UNIVERSITY

Leadership and Closing Achievement Gaps

Dr. Joseph Murphy, Vanderbilt University

Join us for a day with Dr. Joe Murphy, well known school leadership researcher, consultant, and author. Dr. Murphy has been called the "father of the ISLLC Standards", and has done extensive research and work with school principals across the country. In collaboration with Morehead State University, KEDC is bringing Dr. Murphy to our region on Tuesday, June 28. His presentation will include strategies on the 'turnaround' work he has been developing for schools in Kentucky, presentation of current educational leadership research, and question/answer time with participants. Dr. Murphy is the Frank W. Mayborn Chair of Education and Associate Dean at Peabody College of Education of Vanderbilt University.
