

KPC Copy Paper Orders

As part of our continuing efforts to provide you with cost effective procurement opportunities, we have awarded a KPC Preferred Vendor contract to XPEDX as a statewide vendor for copy paper. River City Industrial Services and Petter Business Systems have been awarded Preferred Vendor contracts that service limited KPC members only (see the lists below for the KPC members they service).

The KPC copy paper order forms are attached for all three vendors. Please review the order forms and service area lists to see which vendor offers the best pricing and services for the quantity of paper you need. To place a copy paper order, please complete the order form for the vendor of your choice and fax or email it as an attachment to the contact person listed on the form (KPC forms must be used to ensure you receive KPC bid pricing.) The KPC Copy Paper order forms will be updated every three months with the latest prices.

Smaller orders of 40 or fewer cartons can be placed with Office Depot using our Preferred Office Supply bid. Please call KEDC / KPC for current pricing.

Thank you for choosing the KPC copy paper bid. Please contact us at (800) 737-0204 if you have any questions.
