

Instant™

Non-Alcohol Foaming Hand Wash #144

“How can disease spread? Dirty Hands...It’s that simple!”

Some scientists estimate that up to 80 percent of infections are transmitted by hands. From doorknobs to animals to food, harmful germs can live on almost everything. Handwashing may be the single most important way to help stop the spread of infection and stay healthy.

Instant is a non-alcohol foaming hand wash that cleans without drying out skin. It remains mild to the skin even with repeated use, making it ideal for areas where soap and water are not readily available. Instant is authorized for use as a handwashing compound. Directions: Begin with dry hands. For cleansing, place approximately one shot in the palm of the hand; rub into skin. No rinsing is required. **APPLICATION: HANDS**

AREAS OF USE: HOSPITALS • CAFETERIAS • RESTAURANT
• MEDICAL CLINICS • AUTO REPAIR SERVICES • SCHOOLS •
OFFICE COMPLEX • DAY CARES • LIGHT INDUSTRIAL FACILITIES

AZ Hand Solutions vs The Other Guys

Safe Quat disinfectant	Strong alcohol base
1300 to 1500 hand cleanings/container	250 to 300/container
Sealed for your protection	Open container allows germs in
Alcohol Free (does not dry hands)	Alcohol Base gel is harsh on skin
Cleanly scented	Fruit or perfume scent (<i>kids want to taste</i>)
Does not dry skin	Alcohol base (<i>dries skin/allows contaminates</i>)

TECHNICAL DATA

FORM: Liquid	FLASH POINT: 212 degrees F
ODOR: N/A	FLAME EXTENSION: N/A
COLOR: Light Purple	SOLUBILITY IN WATER: 100%
DETERGENCY: N/A	SPECIFIC GRAVITY: 1.0
PHOSPHATES: N/A	% VOLATILE BY VOLUME: 0%
WETTING ABILITY: Saturates	pH: 6.0-7.0
STORAGE STABILITY: 1 Year +	PROPELLENT: N/A
COLD STABILITY: 32° F	EVAPORATION RATE: N/A
