CERTIFICATION CONCERNING DISBARMENT AND SUSPENSION:

I certify on behalf of myself, the company and its key employees that neither I, the company, nor its key employees have been proposed for debarment, debarred, or suspended by any Federal Agency.

GENERAL TERMS AND CONDITIONS:

1. **Participating Member Institutions:** Any institution that is a member of KPC and/or a bidding member of the KEDC, GRREC, NKCES, or SESC Educational Cooperatives (hereinafter referred to as member or members) is eligible to utilize the Bid Contract; however this does not mean that all members will participate. A bidder will not be required to sell to or serve all eligible members. Any bidder that cannot serve all members is required to complete the Service Area Excel spreadsheet indicating the members the bidder can serve. If this list is not returned then the bid contract will be available to all members.

KPC has contacted each member district to inquire as to their intent to participate in this bid opportunity. The results of this survey can be found in the Service Area Excel spreadsheet. The following survey responses were received: 1) Yes – District intends to participate, 2) No – District does not intend to participate, 3) Undecided – District is uncertain whether it will participate, and 4) No Response – District did not respond to the survey. District participation in all KPC bid opportunities is strictly voluntary and subject to change. KPC and all KPC member institutions reserve the right to waive defects and informalities in bids, to reject any or all bids, or to accept any bid as may be deemed to its interest.

2. **Bid Forms and Return Instructions:** Bidders must return the bid form, electronic media files(s) containing the completed Microsoft Excel Core Item List and Service Area spreadsheets, and printed copies of the Core Item List and Service Area spreadsheets provided as part of this bid invitation. Bidder must show cost for each item on the provided bid form. The bidder must then enter the brand, vendor item number, and the cost per item in the Microsoft Excel spreadsheet and print out a hard copy. Optional information may be requested, but bid will not be rejected if these items are not supplied. Each bid should be submitted in a separate sealed envelope CLEARLY marked with **KEDC Sealed Bid, the Corresponding Bid Reference Number, and the Opening Date** printed on the outside of the envelope as they appear on the Bid Invitation. The bidder should retain a duplicate copy. An officer or member of the bidding firm who is authorized to legally bind the firm must sign the bid certification. The Bid Certification must be submitted with an original signature. The Bid Invitation Forms should be used without alterations. Modifications, additions, or changes to the terms and conditions of this Invitation to Bid may be a cause for rejection of a bid. Bidders are requested to submit all bids on KEDC's official forms. Bids submitted on company forms may be rejected. By executing the Bid Certification, the bidder acknowledges that the bidder has read this invitation, understands it, and agrees to bind by its terms and conditions.
3. **Correction of Mistakes:** Bidders are cautioned to re-check their bid for possible errors. No bid can be corrected, altered, or signed after being opened. All prices and quotations must be in ink or typewritten. No pencil figures will be accepted. Mistakes

are to be crossed out and corrections inserted adjacent thereto and initialed by the person signing the bid. Errors discovered after electronic opening cannot be corrected and bidder will be required to accept a bid contract if offered.

4. **Error in Bid:** In case of a pricing error between the two bid documents (the bid form and the electronic submission) the entry on the electronic submission will govern. No bid will be altered, or amended after the specified time and date set for the bid opening. The KEDC Board reserves the right to waive defects and informalities in bids, to reject any or all bids, or to accept any bid as may be deemed to its interest.
5. **Withdrawal of Bid:** All bids shall be valid for a period of thirty (30) days from the bid opening date to allow for tabulation, study, and consideration by the KEDC Board. A bidder may withdraw his bid after it has been submitted only if a written request is submitted and received prior to the expiration of the time during which bids may be submitted, without prejudice to himself or herself, by submitting a written request for its withdrawal to KEDC, Attn: Bidding with the corresponding Bid Reference Number.
6. **Addendums:** KEDC may issue an addendum to the bid after the bid has been released. In no instance will an addendum be issued within five (5) working days prior to the bid opening.
7. **Pricing:** Bid Contracts may be awarded to multiple bidders. Contract prices shall remain in effect for the entire contract term (12 months). Additional discounts and/or special pricing are encouraged and may be accepted when consistent with other terms and conditions of the contract and offered equally to all members marked to be served by the Bid Contract.

Fuel surcharges and other similar charges are not permitted.

Bidders are to provide one price for each item in the Excel spreadsheet and list the KPC member(s) they propose to service. The bidder shall provide each item on this bid to all KPC members at the same price. Bidders **MAY NOT** submit multiple prices for the same product by KPC member (i.e., Regional Bidding is **NOT** acceptable).

Should an awarded bidder negotiate or bid a lower price for an item included in this bid with any KPC member public school district, the bidder agrees to provide the product to all KPC members they propose to serve at the lower price. For example: District A and District B are both KPC members. Bidder is proposing to serve District A and not serve District B on their KPC bid documentation. The Bidder is providing service to the area where District A and District B reside. Bidder then establishes a price with District B for items that are on the KPC bid thru negotiation or a school district bid that is lower than the bid price with KPC. The lower prices provided to District B become the bid price for District A and all KPC members served by that bidder. Bidders may request in writing one exemption per contract period for the above pricing clause. Exemptions must be requested on company letterhead and submitted to KPC, 904 Rose Road, Ashland KY 41102.

8. **Review:** After the electronic opening of proposals received from the Bid Invitation, KEDC staff and member officials will review the results, develop a preliminary tabulation, and may contact bidders for the purpose of clarification only. If necessary, members may purchase from the apparent low bidder pending approval by the KEDC Board of Directors.
9. **Award:** After the review of the bid proposals, the KEDC Board may accept one or more bid contracts based on the needs of the members. Multiple bid contracts may be accepted based on brand, districts served, and any other consideration in the interest of the members. A bidder whose bid proposal is accepted shall hereinafter be called contractor. The bid proposals will be evaluated based on the points awarded to each contract using the following scale:

CRITERIA FOR EVALUATION OF BID

Each of the following elements will be weighted accordingly.

1. Product Cost	20%
2. Delivery Schedule	20%
3. Past Performance	20%
4. Past Product Quality	20%
5. Variety of Products	20%

10. **Contract Period:** The bid contract will be for twelve months. The contract may be extended on an annual basis by KEDC not to exceed five years in total including the first year of the contract. The determination to renew the contract beyond the initial year will be determined in part by the performance of the contractor as reflected by performance evaluations. KEDC may periodically provide evaluation summaries to the contractor. (Evaluation Form attached). KEDC shall notify the contractor of its intent to extend or not to extend the contract by March 25 of each year. If KEDC notifies contractor of intent to extend the contract by one year, contractor shall either respond by April 10 that it does not intend to extend the contract, or respond by April 10 with any necessary price increases or decreases for the extended year. If price increases submitted are deemed excessive by KEDC then KEDC shall have cause to not extend the contract. All price increases shall be accompanied by proper documentation of price increase to the contractor. Proper documentation shall include market bulletin(s) from an independent source, manufacturer's invoices, and freight bills. Price change notifications and contract pricing terms will follow the same pattern outlined above for any years in which this contract is extended.

KEDC reserves the right to extend the term for up to 180 days to continue a source of supply until new or replacement contracts are completed. Since this bid request is subject to multiple contracts being accepted, KEDC reserves the right to renew and/or solicit additional bids for subsequent contract periods. Any contract extension is contingent upon written agreement of KEDC and the contractor. The bid will not be automatically extended beyond any current year unless expressly approved by KEDC. KEDC reserves the right on any contract extension to revise, update, or supplement the contract terms and conditions including the assessment of administrative fees to the contractor as needed to cover the cost of KEDC servicing the bid contract, bidding program, or procurement service for the members.

11. **Quantities:** It shall be understood that the bid contract will not obligate KEDC or its members to purchase from the Bid Contract.

12. **Product Information:** The successful bidder shall provide upon request by any member, the most recent MSDS information sheets for any products the vendor may deliver to said member.

13. **Liability:** The contractor agrees to protect, defend, and save harmless KEDC and members from any suits or demands for payment that may be brought against it for the use of any patented material, process, article, or device that may enter into the manufacture, construction, or form a part of the work covered by either order or contract; and contractor further agrees to indemnify and save harmless KEDC and members from suits or actions of every nature and description brought against it for, or on account of any injuries or damages received or sustained by any party or parties by, or for any of the acts of the contractors, his servants or agents.

14. **Recalls:** The contractor shall notify KEDC and its members immediately of any products recalls. Any products that have been recalled and have been delivered shall be issued a credit and/or a comparable substitute immediately. All costs associated with voluntary and involuntary product recalls shall be borne by the contractor.

15. **Usage Reports:** Usage reports in electronic format (Excel, Access, ASCII tab or comma delimited) shall be issued to KEDC monthly by the 25th day of the next month during the period of the bid. Contractor shall compile usage reports by member. The reports shall indicate the total orders delivered by individual item. Since the usage report data is useful to both KEDC and the contractor, it is of benefit to both parties to share this information. File format and layout shall be agreed upon by KEDC and the contractor. KEDC will routinely request procurement data from participating districts to verify usage report accuracy.

16. **Deliveries:** The successful bidder will be expected to have each delivery checked by the appropriate cafeteria personnel and to leave two (2) signed copies of the itemized delivery ticket with them. NO SUBSTITUTIONS PERMITTED WITHOUT THE APPROVAL OF THE FOOD SERVICE DIRECTOR OR HIS/HER DESIGNEE. Bidder is expected to keep a reasonable stock of bid items on hand. All copies of invoices and statements, by school, should be sent to the District Business Office.

Deliveries shall be made to the individual school as requested by the lunchroom managers in quantities designated by them.

Deliveries shall be made into the individual schools and placed in the appropriate refrigerator or freezer in the respective schools as needed and directed by school principal or lunchroom manager. Acceptable delivery times are to be negotiated between the contractor and each participating district.

Bidder should state number of deliveries to be made to schools during a month (where not specified) and day of week deliveries will be made in order for lunchroom managers to properly schedule delivery date requests on their Purchase Orders.

It is understood that deliveries are not to be made when school is not in session (Election Day, Holidays, in service days, etc.) with exception of the opening of school. Calendars will be provided to the successful bidders to designate off-school days. When

school is cancelled because of inclement weather or other emergency situation the school system reserves the right to accept the delivery, authorize another acceptance signature, or to cancel the delivery.

All products or services procured from the Bid Contract are to be delivered free of freight charges (FOB destination).

The designated supplier(s) agrees to provide total requirements as listed herein, thereby minimizing occurrences when a school district may have to seek other interim product sources. Failure to deliver 100% of the items on the core item list within 48 hours shall be considered default.

17. **Transmittal of Orders:** Vendors should issue purchasing instructions and/or guidelines to KEDC and members.
18. **Payments:** Each member shall be responsible for making payment to the contractor, unless KEDC has been established as the Purchasing Agent for the contractor, in which case, KEDC will coordinate orders and payments directly to the contractor with the individual members being the ship to party. Normally, members pay bills only after approval from the member board which meets monthly. KEDC reserves the right to negotiate upon mutual agreement to serve as Purchasing Agent for any Bid Contract including charging an administrative fee to the contractor.
19. **Prompt Payment Discount:** Vendor may provide a prompt payment percentage discount for invoice payments postmarked less than 30 days from the invoice date. The discount may take the form of either a deduction from the total invoice or a check in an amount equal to the same. Example: 1% discount for invoices postmarked within 10 days of the invoice date.
20. **Administrative Fee:** The vendor's price will include an administrative fee of one percent (1%) on all purchases made by members under this contract that the vendor will remit to KEDC on a monthly basis. The vendor will also compile and provide to KEDC a monthly report showing all purchases made by members under this contract in a format provided by KEDC. The vendor will make all administrative fee payments to KEDC by the 25th of the succeeding month and all checks are to be made payable to KEDC and sent to KEDC, 904 West Rose Road, Ashland, KY 41102-7104. The vendor may not add this or similar fees as a line item on the customer's invoice.
21. **Item Substitution and Out-of-Stock Back-Orders:** It is an expectation that all individual items bid are to be stocked items. Contractor shall maintain a 97% average fill rate. No substitutions are allowed without prior written authorization from the member. Member must be notified if item is out of stock, backordered or if timely delivery cannot be made. Upon member notification, the contractor must receive written directions from the member on how to proceed, i.e. cancel, process, etc.

Failure of a Contractor to deliver within the time specified, or within a reasonable time as interpreted by each School Food Service Director, or failure to make replacements of rejected articles when so requested, or continues to be unable to secure the bid item, the school at its sole discretion, may purchase a product of equal or greater quality from another source. On all such purchases, the Contractor shall be responsible and liable for the difference in cost between the amount paid for the substituted product and the amount which would have been paid the contractor. The contractor's argument that an item could have been purchased at a lower price shall not have merit.

22. **Ice-Cream Specifications:** Vanilla and flavored products must be produced in accordance with Kentucky State Department of Health Regulation SDC-1-3. All flavorings used must produce a product with natural flavor pertaining to its identity. Product must be made with pasteurized and homogenized fresh, sweet milk.

The product must be produced, stored and handled in delivery in such manner that it will constantly remain in solid, usable condition without showing signs of thawing and or having been refrozen. Product must be free of ice crystals and shall not have pulled away from the sides of container.

23. **General Food Bid Conditions:**

A. Purchase of Food and Non-Food Items not specifically provided in KEDC Bid.

- 1) KEDC schools may exercise their rights to purchase all non-bid items, except produce, from the contractor that has been awarded a group of items, which is most closely associated with the non-bid item.
- 2) Purchase of food and non-food items not covered by the bid shall be at the price mutually agreeable between the contractor and the school and shall include delivery of the product as part of the agreed upon price.

- 3) This section of the contract shall relieve schools from the need to obtain quotes from other companies for non-bid food and non-food items as long as the items purchased are closely related to the items covered by the bid. The schools shall not use this provision to obtain competitive pricing for non-related items.

B. Product Requirements

- 1) Item Identification (ID): The item bids listed herein are not specifications. Product identifications are limited to requirements that can be verified upon delivery. U.S. Grades are generally not specified unless there is an inspection certificate accompanies a grade shield on the container or the product. The use of pre-approved brands makes it unnecessary to use detailed specifications.
- 2) Product Protection Guarantees: School districts have automatic product protection recourse against suppliers for products that are misrepresented. According to federal regulations, the supplier whose name and address appear on the package is the responsible party. Contractors are expected to take immediate action to correct any situation in which product integrity is violated.
- 3) Refrigerator/Freezers must be stocked with clean, undamaged, and ready to serve products.
- 4) Import Products: Products that are canned or packed outside of the United States will not be accepted. Please note this rule applies to "Private Label" as well as other labels. Exceptions to this rule are for pineapple, mandarin oranges, olives, tuna, and coffee. The Nutrition Labeling and Education Act of 1990, mandates that the country of origin for both domestic and imported food products be identified on the product labels.
- 5) Brands: The "Approved Brand" space on the item identification indicates:
 - a. When the word, "Packer Label" appears in the approved brands, bidders may bid any label. When the word, "Private Label" appears in the approved brands, bidders may bid brands shown in the Chart of Brands. For canned and frozen fruits and vegetables, the potential contractor shall bid the appropriate label for the grade specified. Where a grade is not specified under Private Label in the bid document, the bidder shall offer a quote based on the 1st Quality label only.
 - b. Pre-Approved Brands: Where a manufacturer's name and product number are listed under approved brands, the bidder may only propose those products in the list. In the instance where a pre-approved brand is packed also under a Private Label, the bidder must present documentation from the manufacturer at the time of the opening in order to bid the Private Label version of the product.
 - c. Unacceptable Brands: KEDC may specifically designate a brand as unacceptable even if blanket approval is implied. This is done by stating specifically the brand will not be acceptable if bid.

C. Terms of Reference Specific to Product Identification

- 1) IMPS: The National Association of Meat Purveyors developed Institutional Meat Purchase Specifications. The packer must be willing to certify to the contractor and/or KEDC that the product meets the IMP specifications. Numbers that have a very specific meaning in identifying the product designates IMPS.
- 2) Vegetable Protein Products (VPP): VPP is used herein to refer to Textured Vegetable Protein since TVP is a trademark of the Archer Daniels Midland Corporation. The ratio of meat to VPP is referred to as percent meat with VPP rather than percent of VPP. Items with VPP must carry on the main face label the following: "This item contains Vegetable Protein Product(s) which are authorized as an alternative food in the Child Nutrition Programs." If a product has a CN label then the VPP statement is not required.
- 3) Breeding of Meat and Poultry Products: Identifications as listed for meat and poultry require 25% breeding at time of pack. Federal regulations require that breeding for meat and poultry can not exceed 30% without modifying the name of the product. Contractors are required to furnish dated certificates from packers showing the packer's specifications on range of breeding. If the product has a CN label, certification is not necessary.
- 4) Fish Inspection and Grading: Fish as identified herein must bear the PUFI Shield or USDC Grade Shield. Raw fresh-water fish that are not normally packed under federal inspection are exempt.

- 5) Raw or Cooked: Meats, poultry and seafood are deemed to be raw (uncooked) unless the term "cooked" is used. The term "Cooked" implies fully cooked unless a lesser degree of doneness is specified. The term "precooked" implies that additional cooking is necessary before service.
- 6) IQF: The term, "Individually Quick Frozen" or IQF essentially means that parts can be removed individually from packages. The term "quick" means frozen "at the time" in freezer tunnel, either by blasts, nitrogen or carbon dioxide.
- 7) CN Label: When a product is CN labeled the packer to conform to the nutritional requirements of the USDA Food & Nutrition Service certifies it.
- 8) Grades: The grades specified herein for fruits, juices, and vegetables refer to "packer grades" except as specifically indicated otherwise. Packer grades are designated by color codes or brand names as showing the accompanying chart.
- 9) Standards of Identity: All products must conform to U.S. minimum standard requirements. Three important federal regulations pertaining to canned foods listed below are, along with other federal and state regulations, automatically part of the proposal requirements:
 - a. Net Container Quantity: The minimum new quantity of all products in cans and jars shall be in accord with Section 401 of Federal Food, Drug, and Cosmetic Act regarding the individual specifications for standard of fill for the product prescribed in 21 CFR Part 100-169.
 - b. Fill of Containers: All products shall be filled as full as practical under good commercial packing practices without impairment of quality and otherwise accord with Section 401 of the Federal Food Drug, and Cosmetics Act.
 - c. Drained weights: Drained weights of "wet pack" items shall conform to good industry practices and the minimum requirements of the Federal Food, Drug, and Cosmetics Act for drained weights. Except for whole tomatoes, drained weights are not a factor of USDA Grade.
24. **Non-assignability of Awarded Bid:** The bid award will be made only to the individual or entity which actually submits a bid. The awarded bid cannot be conveyed to an awarded bidder's successors or assigns without the prior, express approval of the Board of Directors of KEDC.
25. **Contract Suspension:** KEDC may, at its sole discretion, suspend a contractor for a period of up to 90 days to investigate alleged instances of breach of contract or non-compliance. The contractor is prohibited from accepting new orders from KPC members while suspended, however, orders already in process can be completed. If the Awarded Bidder is found to be in breach of contract or non-compliance, the contract is rendered null and void. The Awarded Bidder agrees that they have no legal recourse of any nature against KEDC, KPC, or its member entities except for payment of goods, supplies and services that are due for prior purchases which were permitted to be sold by the Awarded Bidder under this bid. The decision of KEDC regarding suspension and/or termination is final.
26. **Warning and Termination of Contract:** KEDC may terminate the contract if the contractor fails to perform at the service level specified in the bid document. Contracts may be terminated at any time, on 30 days notice upon the mutual agreement of both parties or upon the discretion of KEDC, in a shorter period of time, if the terms of the contract are violated in any way. In the event of termination, the members shall not be liable to any costs other than the cost of items delivered and accepted prior to the termination date. The contractor may terminate the contract if the members fail to meet mutually agreeable and specified payment terms.

Each party shall follow the following procedure if the contract is to be terminated:

- Step 1: Issue a warning letter outlining the violations and state the length of time to correct the problem(s).
- Step 2: Issue a letter of intent to cancel contract, if the problem(s) is not resolved by a given date.
- Step 3: Issue letter to cancel contract.

In the event the physical facilities of the contractor are destroyed or a labor dispute makes performance under the terms of the contract impossible, the contractor shall not be held liable by KEDC or the members.

27. **Vendor Commitment** - Each vendor is required to make three basic commitments to insure the overall success of the statewide program:
 - Corporate Commitment – A commitment that KPC has the support of senior management, and that KPC is the primary offering to K-12 educational entities statewide. The supplier shall make its existing K-12 clients aware of the KPC contract and upon the agency's request; such agency will be transitioned to the vendor's KPC contract.

- Pricing Commitment – A commitment that pricing is the lowest available pricing (net to buyer) to Kentucky K-12 public entities and a further commitment that, if a public K-12 entity is eligible for lower pricing through a state, regional, or local contract, the vendor will match the pricing under KPC. Bidders may request in writing one exemption per contract period for the pricing commitment clause. Exemptions must be requested on company letterhead and submitted to KPC, 904 Rose Road, Ashland KY 41102.
- Sales Commitment – A commitment that the supplier will aggressively market KPC statewide and that the sales force will be trained, engaged, and committed to offering KPC to K-12 entities statewide with a further commitment that all KPC sales be accurately and timely reported to KPC.

28. **Delivery Crates:** Crates used to deliver products must be picked up by the vendor within fifteen days of the date of delivery. Crates left at a KPC member's site longer than fifteen days become property of the KPC member and may be disposed of in any manner deemed necessary.

29. **Other Conditions:**

- Contractors shall be in compliance and will comply with any and all local, state, and federal laws and regulations related to this bid and the rendering of goods and /or services.
- This contract shall be governed in all respects as to validity, construction, capacity, performance, or otherwise by the laws of the Commonwealth of Kentucky.

It has come to the U.S Department of Agriculture's (USDA) attention that school food authorities (SFA) may be using Federal funds to purchase foreign foods, e.g. canned peaches, even though the law, Federal Regulations, and local specifications prohibit this practice. USDA, therefore, wants to reiterate the "Buy American" requirement, which (1) benefits our children by ensuring that high-quality foods are available in school lunch programs, and (2) supports American agriculture.

As you are aware, Section 3 (h) of the Commodity Distribution Reform Act and WIC Amendments of 1987, and Section 250.23 of Federal Food Distribution Program regulations mandate that recipient agencies, including SFA's participating in the National School Lunch Program (NSLP), purchase, whenever possible, only food products that are produced in the U.S. A "food product produced in the U.S." is defined as "an unmanufactured food product produced in the U.S. or a food product that is manufactured in the U.S." In addition to exemptions set forth in the law for specific States and territories, and unusual or ethnic food preferences, the regulations identify two other situations which warrant a waiver to permit purchases of foreign products: (1) the product is not produced or manufactured in the U.S. in sufficient and reasonable available quantities of a satisfactory quality; and (2) competitive bids reveal the cost of a U.S. product is significantly higher than the foreign product. These circumstances are the only exceptions to Section 3 (h).

It is imperative that each SFA comply with the "Buy American" requirement by purchasing food products produced in the U.S. for its school feeding programs. Subject to the exemptions cited above, such purchases must at least be proportionate with the extent of Federal funding in the SFA's school food service account. Therefore, given reports of foreign products in school feeding programs, we request that you remind the SFA's in your State of the "Buy American" requirement and ask them to (1) check their purchasing specifications to ensure adequate procurement of U.S. food products, (2) remind their vendors and distributors of the "Buy American" requirement, and (3) examine product packaging. The Nutrition Labeling and Education Act of 1990 mandates that the country of origin for both domestic and imported food products be identified on the product labels.

Should you or your staff have any questions regarding this matter, please contact Rosie Daugherty or Brian Frasier of the School Programs Section at (404) 730-2631.
