Many districts are applying for the Federal USDA U.S. Healthy School certification which mandates the use of whole grain breads (not enriched). Whole grain breads must be stock items. Provide the nutritional label for each item bid. Whole wheat items must list whole wheat as the first ingredient (not enriched).

Whole Grain-Rich Criteria

Foods that qualify as whole grain-rich for the school meal programs are foods that contain 100-percent whole grain or contain a blend of whole-grain meal and/or flour and enriched meal and/or flour of which at least 50-percent is whole grain. Whole grain-rich products must contain at least 50-percent whole-grains and the remaining grain, if any, must be enriched.
