

ACT Quality Core®

The Research Driven Solution to Raise the Quality of High School Core Courses

Five-Day Professional Development

Description

The five-day professional development offers an in-depth look at the QualityCore online materials while promoting familiarity with access to the QualityCore secure website. The five-day model focuses explicitly on helping teachers understand and maximize the academic readiness and academic behaviors of their students. The five-day professional development ensures teachers utilize assessment data, including the analysis of student work, to differentiate instruction in response to students' needs.

Features:

- Event includes a three-day session, a single-day session in the winter, and a single-day session in the spring
- Delivery face-to-face by two ACT trainers
- Each 5-day event includes only 1 domain – KEDC is offering a session in English & Mathematics
- Materials include a *Participant's Handbook* and the *Educator's Toolbox*.
