TERMS AND CONDITIONS:

- Participating Member Institutions:** Any institution that is a member of the KEDC, KPC, GRECC, NKCES, or SESC Educational Cooperatives (hereinafter referred to as member or members) is eligible to utilize the Bid Contract; however this does not mean that all members will participate. During calendar year 2008, KPC Members purchased over \$1.7 million dollars of copy paper through KPC. A bidder will not be required to sell to or serve all eligible members. Any bidder that cannot serve all members is required to complete the KPC Member spreadsheet indicating the members the bidder can serve. If this list is not returned then the bid contract will be available to all members.
- Bid Forms and Return Instructions:** Bidders must return the bid certification, bid form, and a computer disk (diskette, cd, flash drive – not emailed) containing the completed Microsoft Excel spreadsheet provided as part of this bid invitation. Bidder must show cost for each item on the provided bid form. The bidder must then enter the manufacturer, manufacturer item number, item description, item number, and cost per item in the Microsoft Excel spreadsheet on the computer diskette and print out a hard copy. Optional information may be requested, but bid will not be rejected if these items are not supplied. The bid should be submitted in a separate sealed envelope **CLEARLY** marked with **KPC SEALED BID ENCLOSED** and the corresponding **BID REFERENCE NUMBER** and **OPENING DATE** printed on the outside of the envelope as they appear on the Bid Invitation. **The bidder should retain a duplicate copy.** An officer or member of the bidding firm who is authorized to legally bind the firm must sign the bid certification. The Bid Certification must be submitted with an original signature. The Bid Invitation Forms should be used without alterations. Modifications, additions, or changes to the terms and conditions of this Invitation to Bid may be a cause for rejection of a bid. Bidders are requested to submit all bids on KEDC's official forms.

Bids submitted on company forms may be rejected. By executing the Bid Certification, the bidder acknowledges that the bidder has read this invitation, understands it, and agrees to bind by its terms and conditions.

3. **Correction of Mistakes:** Bidders are cautioned to re-check their bid for possible errors. No bid can be corrected, altered, or signed after being opened. All prices and quotations must be in blue or black ink or typewritten. No pencil figures will be accepted. Mistakes are to be crossed out and corrections inserted adjacent thereto and initialed by the person signing the bid. Errors discovered after public opening cannot be corrected and bidder will be required to accept a bid contract if offered.
4. **Error in Bid:** In case of a pricing error between the two bid documents (the computer disk and printed spreadsheets), the entry on the computer disk will govern. No bid will be altered, or amended after the specified time and date set for the bid opening. The KEDC Board or its designee reserves the right to waive defects and informalities in bids, to reject any or all bids, or to accept any bid as may be deemed to its interest.
5. **Withdrawal of Bid:** All bids shall be valid for a period of thirty (30) days from the bid opening date to allow for tabulation, study, and consideration by the KEDC Board or its designee. A bidder may withdraw a bid after it has been submitted only if a written request is submitted and received prior to the expiration of the time during which bids may be submitted, without prejudice, by submitting a written request for its withdrawal to KEDC, Attn: Member Services with the corresponding Bid Reference Number.
6. **Addendums:** KEDC may issue an addendum to the bid after the bid has been released. In no instance will an addendum be issued within five (5) working days prior to the bid opening.
7. **Review:** After the public opening of proposals received from the Bid Invitation, KEDC staff and member officials will review the results, develop a preliminary tabulation, and may contact bidders for the purpose of clarification only. If necessary, members may purchase from the apparent low bidder(s) pending approval by the KEDC Board of Directors or its designee.
8. **Pre-qualification:** KEDC reserves the right to pre-qualify a potential contractor, especially any firm which has not previously participated in the KEDC participating school districts bid program. Criteria for qualification shall include:
 - A) **Product Line:** The potential contractor shall provide proof that all items listed in the catalog are in stock or can be quickly obtained.
 - B) **Physical Facilities:** KEDC staff may inspect the potential contractor's warehouse. The warehouse shall be clean and adequate for storing and delivery of products that the potential contractor proposes to supply.
 - C) **Financial Capacity:** The potential contractor shall have financing adequate to purchase items in the most economical quantities. References may be requested to document adequate financial capacity.
 - D) **Service Level:** If KEDC does not have adequate historical data to determine the contractor's ability to provide the products bid in a timely manner, then three letters of reference from previous school district customers shall be provided.
 - E) **Accounting Practices:** A potential contractor must clearly demonstrate to KEDC the capacity to provide accurate, reliable, and timely reports in terms of invoices, statements, credits, and usage data.
 - F) **Product Evaluation:** Samples requested must be furnished free of expense to KEDC and or the school district for evaluation. If not destroyed or consumed in testing or evaluating, or required in connection with the award, furnished samples will, upon request, be returned at the bidder's expense. Right is reserved to mutilate or destroy any samples if considered necessary for testing purposes.
9. **Award:** After the review of the bid proposals, the KEDC Board or its designee may accept a bid contract based on the criteria below and the needs of the members. In the case of identical bids, KEDC reserves the right to select and to award the contract by whatever method it chooses. A bidder whose bid proposal is accepted shall hereinafter be called contractor. The bid proposals will be evaluated based on the points awarded to each potential contractor utilizing the following scale. Each of the following elements will be weighted accordingly.

	POINTS
1. Total of weighted core item cost calculations	50
2. Number of KPC Members served	10
3. Minimum order per location	10
4. Secondary item catalog discount percentage	10
5. Delivery Timelines	10
6. Prompt Payment Discount	5
7. Past Performance	<u>5</u>
POINT TOTAL	100

10. **Contract Period:** The contract period is for one year and will end on April 30, 2010 plus any extensions. The contract may be extended on an annual basis by KEDC not to exceed five years in total including the first contract period. KEDC shall notify the contractor of its intent to extend or not to extend the contract by Jan 31st of each year. If KEDC notifies contractor of intent to extend the contract by one year, contractor shall respond by Feb 15th that it either does or does not intend to extend the contract. The determination to renew the contract beyond the initial year shall be determined in part by the performance of the contractor and by price stability during the contract period. KEDC reserves the right to extend the term for up to 180 days to continue a source of supply until new or replacement contracts are completed. Since this bid request is subject to multiple contracts being accepted, KEDC reserves the right to renew and/or solicit additional bids for subsequent contract periods. Any contract extension is contingent upon written agreement of KEDC and the contractor. The bid will not be automatically extended beyond any current year unless expressly approved by KEDC. KEDC reserves the right on any contract extension to revise, update, or supplement the contract terms and conditions including the assessment of administrative fees to the contractor as needed to cover the cost of KEDC servicing the bid contract, bidding program, or procurement service for the members.

11. **Pricing:** Bid Contracts may be accepted from multiple bidders. Contract pricing may be adjusted quarterly (May-July; Aug-Oct; Nov-Jan; Feb-April). Price adjustments for the upcoming quarter must be received ten business days prior to the start of the new quarter. If no price changes are received the current price will remain in effect. All price increases shall be accompanied by proper documentation of price increase to the contractor. Proper documentation shall include market bulletin(s) from an independent source, manufacturer's invoices, and freight bills. Price change notifications will follow the same pattern as above for any years in which this contract is extended.

All bid prices must include transportation and delivery charges to the location (school district, KEDC, etc.) specified during ordering. Fuel surcharges and other similar charges are not permitted. Replacement and/or supplemental products that meet or exceed the minimum bid requirements may be added to this contract at the sole discretion of KEDC. Replacement/supplemental products shall be offered at a discount equal to or greater than the original award. The bidder shall submit, on its letterhead the request to add products/services. The request shall be submitted by an authorized representative of the organization. KEDC is under no obligation to accept the offerings.

The bidder shall provide each item on this bid to all KPC members at the same price. Bidders MAY NOT submit multiple discount levels for the same product by KPC member (i.e., Regional Bidding is NOT permissible).

Should an awarded bidder negotiate or bid a lower price for an item included in this bid with any KPC member, the bidder agrees to provide the product to all KPC members at the lower price. For example: District A and District B are both KPC members. Bidder then establishes a price with District B for items that are on the KPC bid thru negotiation or a school district bid that is lower than the bid price with KPC. The lower prices provided to District B become the bid price for District A and all KPC members.

In addition to the quarterly pricing described in this section, KPC reserves the right to solicit quotes from KPC Copy Paper Preferred Vendors using the reverse auction method to establish a supplier for on-demand and/or group orders.

12. **Promotion:** KPC actively markets all Prime and Preferred Vendors to member districts. Marketing includes inclusion of your logo and contact information on the KPC website, a copy of the winning bid contract(s) sent to every KPC member, and promotion of all KPC Prime and Preferred Vendors during regular district visits by KPC staff. Awarded bidders will also have access to the KPC Preferred Vendor Logo for use in promotional materials. Similarly, the winning bidder has the option to support the efforts of KPC by participating in the KEDC-KPC Fall Conference thru the purchase of a Gold Level sponsorship. Gold Level sponsorship includes one prime booth, a full page advertisement in the conference program, an electronic advertisement on the KPC website, and other onsite recognition (e.g., audio announcements and signage).
13. **Transmittal of Orders:** KEDC shall issue purchasing guidelines to its member schools. Schools will use formal purchase orders in ordering from the awarded bidder(s). The successful bidder(s) acknowledge that orders from KEDC member schools and/or school districts may be transmitted from KEDC's office on the district's behalf. The successful bidder(s) may use salespeople for in-person and/or telephone solicitation of orders in accordance with a mutually arrived schedule developed between the school and/or school district and the awarded bidder(s).

At KEDC's option in the future, the bidder(s) shall 1) provide an interface between their existing website and KEDC's online catalog utilizing "punch-out" or "transparent punch-out", and/or 2) provide a listing of all items on the contract in an electronic format specified by KEDC (including description, pricing, picture of item, etc.) to be imported into KEDC's online catalog, and/or 3) accept faxed orders, and/or 4) accept e-mailed orders. The bidder(s) shall accept orders electronically from KEDC and/or KPC members. The bidder is responsible for the initial and on-going accuracy of item information in the on-line catalog. KEDC shall provide programming and configuration of the KEDC catalog. The bidder is responsible for all programming and configuration costs on their web server for Option 1 and for all costs associated with compiling the data file containing the list of items in the bid contract for Option 2. KEDC may provide setup assistance at an additional charge.

14. **Quantities:** It shall be understood that the bid contract will not obligate members to purchase from the Bid Contract.
15. **Product and Safety Information:** The successful bidder shall provide upon request by any member, the most recent MSDS information sheets for any products the bidder may deliver to said member. It is the bidder's responsibility to comply with all local, state, and federal regulations.

17. **Recalls:** The contractor shall notify KEDC and its members immediately of any products recalls. Any products that have been recalled and have been delivered shall be issued a credit and/or a comparable substitute immediately. All costs associated with voluntary and involuntary product recalls shall be borne by the awarded bidder.
18. **Usage Reports:** Usage reports in an electronic format (Microsoft Excel, Access, or SQL) specified by KEDC shall be issued to KEDC quarterly (monthly at KEDC's option) by the 25th day of the next month. Contractor shall compile usage reports by member district. The reports shall indicate, purchasing entity (district and school), purchase order number and date, item(s) sold, quantity of item(s) sold, dollar value of each item(s) sold, and total purchase order value. Since the usage report data is useful to both KEDC and the contractor, it is of benefit to both parties to share this information. KEDC will routinely request procurement data from participating districts to verify usage report accuracy.
19. **Delivery Charges:** All products or services procured from the Bid Contract are to be delivered free of freight charges (FOB destination).
20. **Ordering, Payments, and Administrative Fee:** Each member shall be responsible for making payment to the contractor, unless KEDC has been established as the Purchasing Agent for the contractor, in which case, KEDC will coordinate orders and payments directly to the contractor with the individual members being the ship to party. Normally, members pay bills only after approval from the member board which meets monthly. KEDC reserves the right to negotiate upon mutual agreement to serve as Purchasing Agent for any Bid Contract including charging an additional administrative fee to the contractor beyond the two percent (2%) fee detailed below. Members shall have the option of delivery and billing before or after July 1.

The bidder's price will include an administrative fee of two percent (2%) on all purchases made by members under this contract that the bidder will remit to KEDC on a quarterly basis. The bidder will also compile and provide to KEDC a quarterly report showing all purchases made by members under this contract in a format provided by KEDC. The bidder will make all administrative fee payments to KEDC by the 25th of the succeeding month and all checks are to be made payable to KEDC and sent to KEDC, 904 West Rose Road, Ashland, KY 41102-7104. In consideration of receiving a KPC PREFERRED VENDOR BID CONTRACT bidder agrees to report and pay KEDC's administrative fees for all sales to KEDC/KPC districts even if orders are placed directly by the district to the bidder.

21. **Minimums: Orders:** Bidder(s) may require no more than a 120 case minimum of paper (assorted colors and sizes).
How truckloads can be split between multiple drops on one order?
22. **Item Substitution and Out-of-Stock Back-Orders:** No substitutions are allowed without prior written authorization from the member. Member must be notified if item is out of stock, backordered or if timely delivery cannot be made. Upon member notification, the contractor must receive written directions from KEDC or the member on how to proceed, e.g. cancel the order, process the order, etc.

25. **Product Evaluation:** Samples requested must be furnished free of expense to KEDC and or the school district for evaluation. If not destroyed or consumed in testing or evaluating, or required in connection with the award, furnished samples will, upon request, be returned at the bidder's expense. Right is reserved to mutilate or destroy any samples if considered necessary for testing purposes.
26. **Warranty:** The awarded bidder shall make available and honor all manufacturer's warranties, both standard and extended, to KEDC and all member institutions.
27. **Access to Records:** All contracts over \$10,000 awarded by KEDC shall include the right of KEDC, the Kentucky Department of Education, USDA, the Comptroller General of the United States, or any of their duly authorized representatives, to have unrestricted access to any books, documents, papers, records of the contractor which are directly pertinent to the awarded contract, for the purpose of making audit, examination, excerpts, and transactions.

30. **Penalty:** The awarded contractor agrees to provide total requirements as listed herein, thereby minimizing occurrences when a school district may have to seek interim product sources. Failure to deliver 100% of the items on this list -- within 10 business days -- shall be considered default.

A successful bidder must demonstrate an acceptable level of service, particularly with respect to delivering all items on a regularly scheduled basis, at favorable prices. A distributor may be designated as unacceptable if the requirements listed herein have been previously violated and/or poor communications exist between the seller and the school district.

31. **Contract Suspension:** KPC may, at its sole discretion, suspend a contractor for a period of up to 90 days to investigate alleged instances of breach of contract or non-compliance. The contractor is prohibited from accepting new orders from KPC members while suspended, however, orders already in process can be completed. If the Awarded Bidder is found to be in breach of contract or non-compliance, the contract is rendered null and void. The Awarded Bidder agrees that they have no legal recourse of any nature against KEDC, KPC, or its member entities except for payment of goods, supplies and services that are due for prior purchases which were permitted to be sold by the Awarded Bidder under this bid. The decision of KPC regarding suspension and/or termination is final.
32. **Warning and Termination of Contract:** KEDC may terminate the contract if the contractor fails to perform at the service level specified in the bid document. Contracts may be terminated at any time, on 30 days notice upon the mutual agreement of both parties or upon the discretion of KEDC, in a shorter period of time, if the terms of the contract are violated in any way. In the event of termination, the members shall not be liable to any costs other than the cost of items delivered and accepted prior to the termination date. The contractor may terminate the contract if the members fail to meet mutually agreeable and specified payment terms.

Each party shall follow the following procedure if the contract is to be terminated:

- Step 1 - Issue a warning letter outlining the violations and state the length of time to correct the problem(s).
- Step 2 - Issue a letter of intent to cancel contract, if the problem(s) is not resolved by a given date.
- Step 3 - Issue a letter to cancel contract.

In the event the physical facilities of the contractor are destroyed or a labor dispute makes performance under the terms of the contract impossible, the contractor shall not be held liable by KEDC or the members.

33. **Prompt Payment Discount:** Bidder may provide a prompt payment percentage discount for invoice payments postmarked less than 30 days from the invoice date. The discount may take the form of either a deduction from the total invoice or a check in an amount equal to the same. Example: 1% discount for invoices postmarked within 10 days of the invoice date.
34. **Bidder Commitment:** Each bidder is required to make three basic commitments to insure the overall success of the statewide program:
- Corporate Commitment – A commitment that KPC has the support of senior management, and that KPC is the primary offering to K-12 educational entities statewide. The supplier shall make its existing K-12 clients aware of its KPC contract and upon the agency's request, such agency will be transitioned to the bidder's KPC contract.
